# Cause and Effect

Draw a line to match the cause and effect.

Cause means "to make happen"  
Effect is similar to a result.

You don't clean up  
a puddle of water

People will not be  
able to trust you.

You don't tell  
the truth

You will have  
a lot of  
friends.

You are nice to  
everyone

Someone might slip  
and get hurt.
